Dogs and cats brought to us as a stray animal will be held for 6 calendar days in the hopes that they will be reunited with their owner. If no one claims the animal during the holding period, it will be evaluated for inclusion in our adoption, foster and/or transfer programs. You will not receive a call in reference to the animal's outcome.

The cost to care for an animal during its stray holding period can easily exceed \$100. Please consider making a tax-deductible donation to help us care for this animal during its stay with us. Your donation will help to cover the cost of food, shelter, medical and other expenses. Would you like to make donation today? \$10 \$25 \$50 \$75 \$100 Other: \$ _____
