PUD REVIEW APPLICATION PROCESS

Pre-application Submittal

Prior to submittal of an Application for Rezoning Review to a PUD district, the applicant shall attend a pre-application conference. **The applicant is strongly encouraged to include information addressing Section 10-915(a)(1) - (7) of the *Leon County Land Development Code* in the pre-application submittal package.** Please contact the Leon County Growth and Environmental Management Department at 606-1300 for pre-application meeting dates, fees and requirements.

Technical Review Committee

Prior to submittal of an Application for Rezoning Review to a PUD district and after the pre-application review requirements are met, the applicant shall attend a Technical Review Committee. The purpose of this review is to identify deficiencies in the proposed application in order to submit for formal review by the Development Review Committee. Please contact the Leon County Department of Development Support and Environmental Management at 606-1300 for meeting times, places and dates. You are encouraged to provide all submittal material required for formal PUD Rezoning Review Applications. Please provide twelve (12) copies of all material subject to review.

Application Submittal

Upon completion of review by the Technical Review Committee, the applicant will be required to submit an application for rezoning review to the Leon County Department of Development Support and Environmental Management. Applications for rezoning to a PUD zoning district must provide information in accordance with Section 10-915(a)(1) - (7) of the *Leon County Land Development Code*. The application must be submitted to the Leon County Department of Development Support and Environmental Management in accordance with the most current review schedule provided by the Leon County Growth and Environmental Management Department. The filing fees for rezoning are included on page 9 of this packet. The appropriate fee must be paid at the time of application submittal.

Final PUD site and development plans may be submitted and reviewed concurrently with PUD rezoning. Please contact the Leon County Department of Development Support and Environmental Management at 606-1300 prior to application submittal if you are interested in simultaneous review of PUD rezoning and final site and development plans.

Development Review Committee (DRC) Review

Rezoning to the PUD district are subject to review by the Development Review Committee (DRC). The DRC may continue the application to a specific time for further review, or may vote to recommend approval with conditions or denial. The DRC recommendation will be forwarded to the Planning Commission for further review.

Planning Commission Review

The Planning Department will advertise, in the Tallahassee Democrat, the rezoning application for review by the Planning Commission no less than 30 days prior to the next available Planning Commission Public Hearing. The Planning Commission, at the public hearing, may continue the application to a specific time for further review, or may vote to recommend approval with conditions or denial. The Planning Commission recommendation will be forwarded to the County Commission for final action.

It is the practice of the Planning Commission to conduct hearings under informal administrative review procedures unless a quasi-judicial hearing (formal proceedings) has been requested. Persons with standing under Article XI, Division 9 of the Leon County Land Development Code and the Planning Commission bylaws may request formal proceedings before the Planning Commission by filing a petition for formal proceedings. If a petition for formal proceedings satisfying the requirements of the Planning Commission bylaws is filed, the scheduled public hearing may be postponed and held at the time the formal hearing is conducted. To be valid, a petition for formal proceedings must satisfy the requirements of the Planning Commission bylaws. Copies of the bylaws and petition for formal proceedings forms are available from the Planning Department at a reasonable cost. A petition for formal proceedings together with the \$150 filing fee must be filed with the Planning Department and the Planning Commission Attorney within fifteen (15) days from date of publication of the proposed rezoning in the Tallahassee Democrat. Additional information pertaining to the formal proceedings procedure is available from the Current Planning Division at (850) 891-8600 and in the by-laws of the Planning Commission.

County Commission Public Hearing

The County Commission conducts its public hearings to consider applications to amend the Official Zoning Map for areas located outside the incorporated limits of the City. The County Commission may vote at those public hearings to approve, approve with conditions, deny or continue the request to a date and time certain. Decisions made by the County Commission are final.

The County Commission public hearing is conducted at 6:00 p.m. in the County Commission Chambers, 5th floor, County Court House. County Commission agenda items are required to be submitted no later than 8 days prior to the scheduled Commission public hearing. Interested parties may contact the Tallahassee-Leon County Planning Department for information regarding the County Commission public hearing schedule.

There are no time restrictions for resubmittal of new PUD Rezoning Review Applications should the proposed amendment to the Official Zoning Map be denied by the County Commission.

Standards To Be Applied

In their review of amendments to the Official Zoning Map, the DRC, the Tallahassee-Leon County Planning Commission, and the County Commission shall include consideration of the factors listed below:

1. **Consistency with the Comprehensive Plan.** The proposed PUD district shall be consistent with the Comprehensive Plan.
2. **Consistency with Other Ordinances.** The proposed PUD district shall be consistent with all other ordinances adopted by the County, including but not limited to the applicable environmental and concurrency management ordinances.
3. **Consistency with Purpose and Intent of the PUD District.** An application for a PUD district shall indicate how the proposed PUD district meets the purpose and intent of the PUD district, as set forth in Section 10-915(a)(1) - (7) of the *Leon County Land Development Code*.
4. **School Considerations.** A completed School Impact Analysis Form for projects proposing residential land use or projects located adjacent to residential development.

Amendment of PUD Rezoning Applications

Amendments to PUD rezoning review applications, which will result in a more intensive use and/or density will require a resubmittal of the PUD application. Such changes to the application after publication (in the Tallahassee Democrat) of notice for the County Commission public hearing are not allowed. The County Commission must act on the rezoning as advertised. Resubmittals, which will result in a more intensive use and/or density, are required to pay the applicable application fees identified on page 4.

Any and all amendments to an Application for PUD Rezoning Review shall be filed in writing and bear the signature of the applicant or applicant's representative as provided in the initial application.

Public Notification of Application

In the case of a request for an amendment to the Official Zoning Map, notice of the Planning Commission public hearing shall be given at least thirty (30) calendar days in advance of the hearing by one (1) publication in a newspaper (Tallahassee Democrat) of regular and general circulation in the county. In cases where rezoning requests consist of thirty (30) or fewer contiguous parcels of land, additional written notice shall be mailed to the current address of each property owner involved and to owners of property within one thousand (1000) feet of the parcels to be rezoned. In addition, a letter of notification is mailed by the Planning Department, as appropriate, to all registered neighborhood associations within 1000 feet of the perimeter of the subject property(ies). The purpose of the letter is to notify surrounding property owners of the application and the time, date, and place of the Tallahassee-Leon County Planning Commission and County Commission public hearings.
