

All 2009-10 Adult Basketball Players

“Sportsmanship” is not just something we talk about: **“It is not optional for players!”**

Every player in the Adult Basketball League must sign below agreeing to play by the Statement of Sportsmanship. It does not matter what the rules or standards are elsewhere. The Tallahassee Parks, Recreation and Neighborhood Affairs Department’s idea of sportsmanship conduct has been handed out, you have read it, and by your signature agree to play by these “sportsmanship” standards. The standards will be enforced vigorously!
