

Dorothy B. Oven Park

The history of the Dorothy B. Oven Park is as rich as the soil that nurtured the finest camellias in the area. The property was part of the Lafayette Land Grant awarded to General Marquis de Lafayette in 1824 by the United States Congress.

In the 1930's the Camellia Nursery, built by the late Breckenridge Gamble, Ritchie and Bill Rosa, was replaced by the house which was designed by Mr. Alfred Maclay and constructed in 1936. The property was donated by Mr. Will J. Oven, Jr. in 1985, to the City of Tallahassee through the Tallahassee Friends of Our Parks Foundation, Inc., in an unprecedented gesture of civic generosity, with the stipulation that it be developed as a city park, retaining the integrity of the area.

The Dorothy B. Oven Park Main House features a classic manor-style home with rare magnolia paneling, wooden floors, antique furniture and artwork, full kitchen facilities and a charming lanai. The House is available to the public for rental use for seminars, weddings, meetings and receptions.

The Park is located in the heart of more than six acres of lush North Florida garden filled with azaleas, camellias, palms and other local flora giving the park an ambience not found elsewhere. The park is open during regular business hours for tours and lease. The fees vary according to space and time requested.

It is truly a place to get away...within the City Limits.

OUTDOOR EVENTS - LIGHTNING WARNING SYSTEM

The City of Tallahassee Parks, Recreation & Neighborhood Affairs Department Staff will monitor weather conditions throughout rental hours. If inclement weather occurs, participants will be directed to seek shelter indoors. Once weather conditions improve and it is safe, the event may continue outdoors.

The system has two alerts:

Lightning Advisories: There is a potential for cloud to ground lightning with a 15-mile radius in the next 20 minutes. Advisories will include a Start Time and Expiration Time and will be delivered by email and text messaging. **You do not have to do anything when you receive an ADVISORY but be aware there is potential for a lightning warning to follow.**

Lightning Warnings: The Lightning detection system has detected cloud to ground lightning that is occurring within an 8-mile radius. Warnings will include a Start Time and Expiration Time and will be delivered by email and text messaging. **All supervised activities must be suspended immediately until the warning expires or is cancelled.**

In the event that a "Lightning Warning" alert is sent to the Rental Park Supervisor via phone, he or she will immediately stop play and evacuate the outdoor event space. All guests, participants, and/or attendees should immediately seek shelter indoors. Once the alert has expired the Supervisor will contact the organizers to inform them that the outdoor event activities may resume.
