Other Conditions and Requirements

- This application must be completed entirely for rebates to be paid.
- Rebates are paid to the customer or property owner where no Energy Star rebates were paid earlier to the homebuilder. Rebates are not paid to the equipment vendor or the installing contractor.
- The equipment must be installed in a permanent residence receiving City of Tallahassee electric service.
- Rebates are available for equipment with purchase receipt dated after February 20, 2008.
- Rebate applications must be received within three months of the installation's purchase receipt date.
- To pay rebates, the brand and model number of equipment is required.
- By participating in this program, applicants agree that the City of Tallahassee obtains and/or retains ownership of all rights to existing and future emission credits, renewable energy rights to existing and future emissions credits, renewable energy green tags, tradable renewable certificates and/or any and all other environmental benefits associated with the installation of the eligible equipment.

I hereby certify that the appliances(s) listed above are installed at the address listed and if requested, I will allow a representative of the City of Tallahassee Utility Services to physically inspect the installation.
