

Dental Plans

The City of Tallahassee offers three (3) dental plans provided by Guardian. All three dental plans use a preferred provider organization (PPO) network.

DENTAL PLANS OVERVIEW

Regular visits to the dentist may do more than just brighten your smile—they can be important to your overall health. Many diseases produce oral signs and symptoms. All City of Tallahassee dental insurance plans provide coverage for preventive care, basic care, major care, and orthodontia.

Choosing and personalizing your benefits depends on your specific dental care needs, budget, and the type of plan you prefer. Under the plans, you are free to visit any licensed dentist you choose. The dental plans offer a large network of contracting providers to choose from when dental care is needed.

When a contracting network provider is used, the care is considered “in-network,” out-of-pocket costs will be less, and the highest level of benefits is received. If a provider outside the network is used, the care is considered “out-of-network” and coverage is still provided, but the out-of-pocket costs will be significantly higher.

USING YOUR DENTAL BENEFIT IS EASY

- To find a preferred provider, visit www.guardianlife.com or download the Guardian App
- Scroll to the bottom of the page and click “**Find a dental or vision Provider**”
- Select Plan Type” “**PPO: Dental Guard Preferred**” (enter a zip code)
- Contact the helpline at 1-888-600-1600
Reference Plan # 00025685

If a dentist is not listed in the Guardian network, employees can “**Nominate a Dentist**” located at the bottom of the page. *(Please note if a specific dentist is not listed in the network, Plan PPO A will not provide coverage should an employee decide to use services from that dentist.)*

COST OF COVERAGE

You pay the full cost for your dental coverage based on:

- The plan you choose and
- The coverage level you choose

RETIREE	INDIVIDUAL	2 PARTY	FAMILY
PPO A	\$10.36	\$20.44	\$36.36
PPO B	\$22.58	\$44.76	\$80.98
PPO C	\$21.62	\$42.92	\$77.90

WHICH PLAN IS RIGHT FOR YOU?

The best dental plan for you depends on several factors:

- What are your anticipated dental expenses for next year?
- What can you afford to pay out-of-pocket (in terms of deductibles) when dental care is needed?
- Do you have other dental insurance?
- Is the dentist you want to see in-network?
- If the dentist you want to see is not in the network, can you afford the out-of-network costs? *(Note: PLAN A has **NO** out of network coverage.)*

NETWORK PROVIDERS

PLAN A has NO out-of-network coverage.

ROLLOVER FEATURE

As an added benefit, all three plans feature a rollover benefit. Guardian will roll over a portion of your unused annual maximum into your personal Maximum Rollover Account (MRA). If you reach your Plan Annual Maximum in future years, you can use money from your MRA. To qualify for an MRA, you must have a paid claim (not just a visit) and must not have exceeded the paid claims threshold during the benefit year. Your MRA may not exceed the MRA limit.

EXAMPLE

YEAR ONE: Jane starts with a \$1,000 Plan Annual Maximum. She submits \$150 in dental claims. Since she did not reach the \$500 Threshold, she receives a \$250 rollover that will be applied to Year Two.

YEAR TWO: Jane now has an increased Plan Annual Maximum of \$1,250. This year, she submits \$50 in claims and receives an additional \$250 rollover added to her Plan Annual Maximum.

YEAR THREE: Jane now has an increased Plan Annual Maximum of \$1,500. This year, she submits \$1,200 in claims. All claims are paid due to the amount accumulated in her Maximum Rollover Account.

YEAR FOUR: Jane's Plan Annual Maximum is \$1,300 (\$1,000 Plan Annual Maximum + \$300 remaining in her Maximum Rollover Account).
