Greetings, Neighbors.

Welcome to the City of Tallahassee's 2022 Neighborhood Awards Program reception. We are excited to have this opportunity to recognize and acknowledge the outstanding achievements of neighborhoods and individuals who have dedicated so much to our community.

This year's theme – Neighborhoods TLH: Strong. Resilient. Connected. – speaks to the passion that motivates our citizens to remain strong during times of adversity and make positive impacts in their neighborhoods each day. Our neighborhoods are the heart and soul of Tallahassee, and in every corner, neighbors are working together to preserve and make a difference in the community. When our neighborhoods succeed, we all benefit.

We are proud of this program's long tradition of recognizing service and leadership in support of our overall quality of life. Thank you to each of our neighborhoods for their devoted service over the past year and congratulations to each of this year's honorees. Together, we make a difference.
