SUNDAY, NOVEMBER 11 • 5-7 p.m. at CASCADES PARK

HOPE HEALING HARMONY

As our community continues to grapple with the tragic event that occurred on Nov. 2, it's important that we uplift one another. On Sunday, Nov. 11, from 5 to 7 p.m., a community gathering will be held at Cascades Park. To promote peace, we will share in moments of reflection, prayer, uplifting music and a candlelight vigil to honor Dr. Nancy Van Vessem and Maura Binkley, whose lives were lost to a senseless act of violence.

Together we are stronger

Participating host groups include the City of Tallahassee, Leon County, Capital Health Plan, Tallahassee Democrat, Tallahassee Memorial HealthCare, the Greater Tallahassee Chamber of Commerce, United Way of the Big Bend, Leon County Schools, Florida A&M University, Florida State University, Tallahassee Community College, faith community, Namasté Yoga and the yoga community, and others.
